Dear Shafin Ahmed:

This letter pertains to your academic standing in the following program:

Program: BSc with Specialization Computing Science (SC020)
Term: Fall/Winter 2025-2026

You **may not continue** in your program because you did not meet the continuation requirements. You will be transferred to the Bachelor of Science (Major) program by the end of August 2026. This includes any course registration you have at the time of transfer.

If you wish to appeal this ruling, you must consult the Faculty of Science Academic Appeals Policy. Find this information as well as instructions on how to submit your appeal to your department at:
<https://rebrand.ly/jcxrp9t>.

Your appeal must be received by **4:00 PM, Monday, June 22, 2026**. For assistance you may contact the Office of the Student Ombuds at <https://rebrand.ly/cspb3nv>. Submission of an appeal does not guarantee your appeal will be granted.

Academic standing decisions are made in accordance with Faculty of Science regulations. For further details see <https://rebrand.ly/bqi9yyo> of the University of Alberta Calendar.

It is important you keep checking your Academic Advisement Report (AAR) in Bear Tracks as it shows your remaining course requirements. This includes any course changes occurring from the transferring of your program.

If you require advice about your program or your progress toward your degree, please reach out to our Student Services Team located in CCIS 1-001 or send us a message through the Student Service Contact form using "My academic standing" as the subject
